A message from the headteacher

Our school benefits in so many ways from being part of the Gosport Multi-Academy Trust, in the last week alone there have been several opportunities for our learners to engage in cross-MAT experiences. Members of our school council have worked with the Head Boy and Head Girl to develop guidance regarding hand hygiene for our children in the primary phase. Our Year 5 classes visited Brune Park on World Book Day to share books with members of the Brune Park community and access their amazing library space. We have also had a group of Lego enthusiasts take part in a recent Lego event in our STEM centre.

Our next steps working with our cross-MAT schools (Bayhouse, Brune Park, Gomer Junior and Lord Wilson) include colleagues spending time at Rowner, working with us to develop our self evaluation and ensure we are achieving the very best for all of our pupils. This has already started with our Assistant Headteacher, Chris Willis, spending the day evaluating our personal development curriculum offer. Chris was very impressed with our learners understanding of how their character is developed at Rowner. Commando-Joe's our character development curriculum has ensured that all of our learners are focused upon developing Resilience, Empathy, Self-Awareness, Passion, Excellence, Communication, Teamwork (R.E.S.P.E.C.T) through fun and active learning missions.

Ofsted success

Within the GFM we have experienced two Ofsted inspections recently. Brune Park successfully achieved good for leadership and management and personal development, achieving requires improvement overall. This is significant progress, taking the school out of special measures. Gomer Junior School have also had Ofsted successfully securing a good judgement.

Field Gun Fundraising

Our Field Gun team has continued to develop this term, offering a really exciting after school club opportunity for our community. Mr and Mrs Connor support this club during the sessions and now them and the children that participate have gone one step further. This Sunday saw members of our team fundraise, by bag packing, at Asda in Gosport. Amazingly, the team raised over £410! This money is being used to fund uniform and appropriate footwear.
