Extended ELSA support

Dear parents/carers,

We are pleased to inform you that we can now provide support to parents and children outside of the school day, another first for Rowner Junior School. Following the development of our nurture unit, known as The Drey, we are able to offer appointments with our ELSA between 3.05pm and 5pm on a Monday and between 4pm and 5pm on a Tuesday.

These sessions are there to support families, both parents and children, with any of the challenges that daily life presents. Appointments can be used for families or just parents and will provide opportunities to explore solutions, signpost other support services and ensure children are ready to learn during the school day.

If you require any further information or wish to make an appointment please do not hesitate to contact the school office.

Kind regards

Kerry Payne
