Energy Kidz Holiday Clubs

Book now for The Summer Holidays

Energy Kidz Ofsted registered holiday clubs offer your child a fun filled, action packed school holiday with exciting games and activities, delivered in a safe and supervised environment.

Our qualified Play and Sports Leaders are DBS checked to an enhanced level, first aid qualified and are experienced in and passionate about the activities we offer.

Our clubs follow a daily activity schedule and we choose fun themes to inspire all the club sessions. We understand that children have different interests, and ensure that each day is filled with a wide range of activities suitable for children aged 4-11.

Children can try a range of activities including arts and crafts, science workshops and action games. We encourage children to try something new, but understand that not every activity suits every child so an alternative is always available. Siblings and friends can stay together, although they are sure to make new friends too!

Visit our website for further information at www.energy-kidz.co.uk

Fun filled & action packed

Themed activity schedule
