Nurture Strive Achieve

## A message from the headteacher

We have been lucky enough to have members of Gosport and Fareham Multi Academy Trust Board and members of our Local Governing Committee in to visit the school recently. All visitors commented upon the learning 'buzz' that is everywhere around the school and how lovely and polite our pupils are. The Rowner Team have been working really hard to ensure that all pupils have a purposeful and positive learning experience at school. By personalising learning to meet any additional needs and developing a curriculum that is engaging and exciting to all, quality of education has improved. It was really pleasing to have all of the hard work recognised—Go Team Rowner!

Our next steps are now to continue to engage and include parents more in their children's learning. We are hoping to set up a parents forum that can regularly meet with school leaders to discuss what is going well and what can be done to further improve. If this is something you would like to get involved with please leave your details at the school office.

## Reading

All children should now have a reading book and a reading record that they are bringing home. Our expectation is that children read regularly at home, this can be to themselves (if they are confident and fluent) or to an adult. As well as reading regularly discussing what your child has read will also support their understanding. Look out for a Reading Workshop coming soon.

Our library is currently under construction, if you have any time available to help in the library please leave a message at the school office—we need you!
