Nurture Strive Achieve

A message from the headteacher

We are continuing to develop our curriculum at Rowner to ensure it offers all pupils opportunities to develop as learners, leaders and citizens. Some significant changes this year have been the introduction of our Character Development Curriculum (Commando Joe's/Co-Joe's) and our emotional well being curriculum. The impact this is already having in our school is amazing, our pupils are able to talk about their feelings and emotions more, the number of behaviour incidents has significantly reduced and our pupils are happier (this is the most important impact for us!). All of our curriculum overviews can be found on our website, please look them up to find out more about what your child is learning.

Our lunchtime offer continues to support all children in being successful. We provide quiet rooms for children to eat in who prefer to be away from the 'busyness' of the hall and when dry, children can choose to eat outside. The clubs offered at lunchtime include: Lego/indoor games club; library and reading club (led by Miss Parker and her trained librarian assistants); outdoor games club as well as access to our outdoor gym. The Hive is also open every lunchtime for anyone to attend.

Reading volunteers

A huge thank you to everyone that has volunteered to support us by becoming a reading volunteer. If you are interested in hearing children read and have some available time please let the office know. Training and support are included as part of this role and no amount of time is too little!

Be bright be seen

Thank you to everyone for your donations as part of our 'be bright, be seen' day. We raised approximately £160. The money raised is being used to fund a buddy bench that will be used during breaktime and lunchtime.

Parking

We take the safety of our community seriously, we are continuing to have difficulties and concerns about the parking in front of our school. The zig zag lines are there to provide a safe place in front of the school. Parents and carers parking or stopping on them are putting our children at risk. We continue to notify the police of any reports and spot checks will continue. Parents/carers caught stopping/parking on the zig zag lines would be subject to a £70 fine.
