Dear Parent/Carer,

Invitation to workshop

The Home School Link Worker from Lord Wilson School, a fellow member of the Gosport and Fareham Multi Academy Trust who are experts in effective behaviour management, has arranged with me to hold informal workshops in The Drey for a few of her local parents. She has very kindly agreed for me to invite parents and carers from our school who might be interested in joining us. Space is limited so please let me know if you would like to attend and I will get back to you to confirm.

The next workshop being run is on Thursday the 24th and is around understanding teens. It is from 11:00 until 12:00. It should give an insight into this topic and provide strategies for supporting the child. Following this on the first Thursday after the half term break a school nurse will be joining us to answer questions you may have on concerns such as bed wetting, sleep, diet and hygiene.

I do apologise for the short notice for the first of these, but hope you will be able to join us for either or both of them if they are of interest to you.

Kind regards,

Josie Vinall
Child and Parent Support Worker.
