Dear children (and families),

It seems like such a long time since we were all together, in fact it has only been two weeks. I hope you are all well and staying safe! I meet (online) and speak to all of the adults regularly and we all agree we really miss you, every single one of you. We really can't wait until we can all be together again.

In the time away from school everyone in Team Rowner has been so busy! The adults in school are all well and trying to make sure that they respond to your messages and photos on Facebook and the emails that come into school. They are also busy planning the work packs that we are going to send home on 20th April. Our favourite way to spend our time is looking at photos of you all taking part in your learning or fun activities, or reading the emails your parents send us about all the exciting activities you have been up to. Please keep them coming.

To make sure we could provide childcare to those families that **need** it we are now based at Brune Park. Each day some of our adults are there to help these children with their learning, just like you are doing at home. They have also shared some of their photos on Facebook if you would like to see what they have been up to.

Keeping up with learning is important while you are at home. But more important is making sure you are taking care of yourself and your family. Remember to spend time getting fresh air everyday, do some exercise and give yourself a break if you need one. Colouring, singing, dancing, reading a book or snuggling up to watch a movie are all good ways of taking a break.

I have included an Easter challenge (which actually includes lots of little challenges) to be completed over what would have been our Easter break. I really hope you enjoy completing them, I will be encouraging Mia and Logan to complete them too!

Please take care and stay positive!

Love from

Miss Payne
