

Rock Challenge 2018

Congratulations Team Rowner!! And what a well deserved 1st place that was!!!

Thank you so much to all the teachers involved in putting the biggest smiles on my girls faces x It was amazing x

Well done team Rowner you were all amazing. You should all be very, very proud of yourselves. I'm bursting with pride, the community spirit has shone through.

I would just like to say a massive thank you to all the teachers and adults involved in Rock Challenge. So much effort goes into the production: giving the children encouragement and confidence, choreography, costumes, rehearsals, make up, hair etc. Not to mention the amazing props - they give up their own time and go above and beyond. It was truly a 'Team Rowner' effort. Xx

Amazing performance, all your hard work paid off, you all should be very proud, I am completely in awe of how incredible Rowner's performance was, fantastic!
