Dear parents and carers,

YEAR 6 RESIDENTIAL 18TH MAY – 20TH MAY 2020

The Year 6 team are incredibly excited to offer our Year 6 children a unique residential opportunity next year. This is a brand new trip that will take place from Monday the 18th May until Wednesday 20th May.

The action packed three days will be hosted by Cumulous Outdoors at their glamping campsite in Swanage, Dorset. Children will get the chance to 'glamp' on the Jurassic coast in stand up tents, with a central tepee. Cumulous have created a bespoke programme for us, which includes a range of activities, taking advantage of the brilliant coastal location: mackerel fishing on boats, total wipe-out water assault course, mud trails and many more.

The cost of the trip will be £148, this includes transport, catering (three meals a day plus snacks) and all of the activities, which are run by qualified instructors. Whilst we appreciate that the cost is high, we feel that based on the activities on offer and the experiences our children will gain from taking part, that it is worth it. We are offering a payment plan option to all parents to spread the payments over the year. This is outlined below:

First week of September a deposit of £20 followed by £16 (x8) a month October through to May. If you require an adjusted plan, please contact Miss Payne to discuss – we endeavour to make a flexible plan to suit all needs. You are of course welcome to pay a lump sum if you would rather, all payment will need to be received by the first week in May.

We ask that you complete the form below before we break up for the summer holidays - at this stage we just need to have an accurate idea of numbers. Please direct any questions to Miss Weaver.

Kind regards,

Kerry Payne
