Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the

Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers

- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

1. Key achievements to date:	2. Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> - Raising attainment in primary school swimming - Profile of PE in the school has continued to be raised with PE celebrated and enjoyed across the school, for example pupil's individual successes in their sports taken outside of school, dance competitions, introduction of street dance sessions. - Improved and increased opportunities for pupils to engage with physical activities during the school day and after school (structured lunchtime clubs, extra curricular activities, outdoor gym area) - Opportunities to participate in inter school competition have been increased both within PE lessons and within extracurricular activities (Dance Live Winners 2020, running events) 	<ul style="list-style-type: none"> - Due to number of RQTs, there is a need to up-skill and train existing staff. Needs to be identified by skills audit and then addressed through training courses and in school CPD. - Continue to provide further extra-curricular activities and a greater range of curricular sporting activities – lunchtime clubs, after school clubs, golden mile. - Purchase new equipment – supporting new curriculum map.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	TBC after swimming lessons
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	TBC after swimming lessons
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	TBC after swimming lessons

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No
