

Afternoons in The Hive

The Atelier

The Artelier continued...

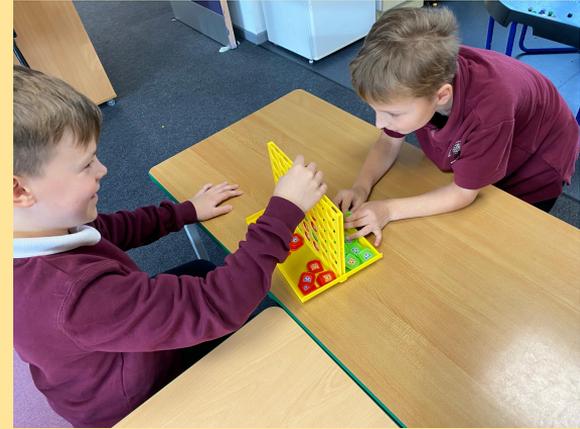

- Active listening
- Speaking
- Taking-turns
- Sharing
- Leadership
- Teamwork
- Describing feelings

We developed a range of communication and interaction skills through completing mindful artwork projects, using high quality resources.

Wonders of the World Learning

We developed communication and interaction skills such as active listening, speaking, sharing and turn-taking.

We encouraged each other to problem solve.

The children's learning is showcased on displays in the Hive corridors in order to show their achievement and pride in their learning.

Small groups of children engage in 'Lego Therapy' once a week in order to develop key communication and interaction skills. Their progress is reviewed every 8 weeks.
